<b>CAMP THEME IS: "Telling God's Story through Music, Art and Media"</b>									
	<b>Title</b>	<b>Description</b>							
	<b>1 Group Lesson (major)</b>	Each student must choose either the MUSIC or MEDIA track and must choose their major within that. MUSIC track majors include Voice, Keyboard, Guitar, Electric guitar, bass, percussion, Violin and Prayer Leading. MEDIA track majors include art, dance/movement, photography, filmmaking and sound. Each student will receive three 45min. group Lessons in the major they chose. They will then work on a project together that they will be able to show at the Youth Worship Night on Sunday night. It may be a music video, animation, short film, pieces of art on a certain theme...etc.							
	<b>2 Group Lesson (minor)</b>	Each student also gets to choose a minor within either track. They will receive one 45min. group lesson in the minor they choose. A music major may choose to minor in a MEDIA class and vice versa. For example a guitar major student may choose voice as his minor. This means he will have three 45 minute group guitar lessons according to his level and one 45 min. group voice lesson. Or instead of voice, he may choose a photography minor and have one 45min. group photography class.							
	<b>3 Practical Workshops (major)</b>	There will be 6 short practical group workshops for each track. Practical Workshops in the MUSIC track ones such as: "Worship leading" "Teamwork" "Songwriting" "The flow of worship" "musical styles" and "sensitivity between musicians". Practical group workshops in the MEDIA track will be ones such as: "Beauty and Truth", "Staying Pure in the World of Art" "Creativity from the Creator" "Communicating God's story" and "How to Come up with Artistic Ideas"							
	<b>4 Creative Workshops</b>	On Saturday afternoon there will be 2 hours of Creative workshops. The first hour they can choose between 4 different workshops (they go to one) and in the 2nd hour they can choose between 4 different workshops (they go to one). These will be workshops like "Arabic Middle Eastern music" "animation" "stop motion" "prophetic worship" and "inner healing through prayer and worship" and "sound/studio recording"							
	<b>5 Practice/Production Session</b>	Students who have chosen the MUSIC track as their major (including prayer leaders) will be split up into youth worship teams with whom they may be doing any or all of the following: preparing a worship set for Friday night or Sunday night, practicing spontaneous worship and prayer within worship, writing a song, even recording a song (!), or arranging a known worship song into a certain style. The MEDIA track students during these production times will meet together, discuss and plan how they'd like to express an aspect of God's story through art, photography...etc.							
	<b>6 Choir Practice</b>	Everyone in the camp is invited to sing in the choir. The choir will prepare a worship song in Hebrew, Arabic and English with harmony arrangements. They will perform this accapella at the Youth Worship Night. We encourage everyone to be a part of this!							
	<b>7 Open Mic Night</b>	The Open Mic Night is meant to be a fun night of fellowship and of getting to know each other better. The youth are invited to share songs individually or in groups. The songs can be covers or original. They can also do stand-up comedy or a funny skit. It will be held outside in the ampitheatre.							
	<b>8 Youth Worship Night</b>	This will be a creative evening of worship and prayer led by the youth themselves to which they can invite friends and family. Four of the youth worship teams will lead worship and intercession. One or two of the older youth will share testimonies or a short message. The art, dance and video students will be able to show what they've worked on during the camp and the choir will perform the song they prepared.							
	<b>9 Free Time/Swimming/Soccer</b>	There will be 2x 2-hour slots where everyone in the camp who wants can go swimming. There will be game tables set up like ping pong and foosball, as well as checkers and cards. They can play soccer in the parking lot.
